Admiral Stansfield Turner
Director of Central Intelligence
Washington, D.C. 20505

Dear Admiral Turner:

Thank you for your letter of 1 September 1977.

I have received my application from the Commission on White House Fellowships. This year's application has apparently been changed such that only the names of five references are to be submitted with the initial application. The two personal recommendations will only be requested of regional finalists.

Sir, I have taken advantage of your offer of assistance and have included your name as a reference on my initial application; you may possibly be contacted by the commission in that regard.

In March 1978 the regional finalists will be announced. If I am selected to compete at that level, I will gladly accept your additional endorsement. I will keep you advised of my status as the competition progresses.

Thank you for your vote of confidence.

Respectfully,

STAT
